

# PTA'S NEWSLETTER

Please do reach out to your class rep if you or your child/children have any suggestions regarding how to spend money raised through the PTA. A few more volunteers are still needed, so please consider championing your child's class.

Happy New Year! We're excited to kick off the new decade by announcing that the Christmas Fair was a huge success raising £1,653.38. The adults only wreath making was much enjoyed by the 32 creative attendees and raised £331.48. Thank you to everyone that contributed clothes, toys and accessories in December we raised £222.50 & hopefully stopped some things from going to landfill. The school disco was a blast for all the Yr 1-4 children whilst raising an additional £131.43. That's an impressive £2,338.79 raised by everyone at the school over the Christmas period - thank you for all your support!

The children's school council have fed back their peers' opinions and requested a Buddy Bench be purchased for the playground. Some of the money raised in December will be spent on this.

As the school are now hopeful for Phase 2 of the building project to commence in 2020 the PTA can focus on raising funds to help with the installation of playground equipment. Once we know a more we can plan a goal...
