

## Recent Tweet from DfE

"Did you know the @readingagency have a resource page filled with hundreds of free downloadable resources for #parents, #teachers and librarians to use with children?"

### Teaching Staff Updates

- Miss Rebecca Curtis will be leaving our employment at the end of the summer term when she relocates to Oxfordshire.
- Mrs Emma Power will continue to teach in Year 5 until the end of the summer term.
- Mrs Jenny Jeffrey will be teaching in Reception, each Thursday, until the end of term.

### Curriculum Update

*From September 2020 relationships education will become statutory in all primary schools. Health education will also become statutory in all state-funded schools.*

*Education-Secretary @DamianHinds talks about why it is important to support mental health and wellbeing in young people #MHAW19*

### E-Safety... Developments

We would like to alert you to an e-safety leaflet that has been added to the website. The content, adjusted to meet age appropriate needs, will be shared with pupils in lessons during this half term.

### Keeping Safe

Do children need to wear a helmet when cycling off-road, for example in the park or garden, as well as the road?

"Yes. Accidents happen anywhere at any time. Every time a child gets on a bike he/she should wear a helmet so it becomes the norm."

*Cycle Smart Foundation*

Bicycle related injuries send 25 children to emergency departments every hour!

### Sun Safety

With the sun now shining, please make sure your child has bottle and sun hat in school every day, and that sun cream is applied before they come to school.

### Polite Reminder

Parking, we appreciate, continues to be difficult but could we ask that parents respect our neighbours and not block driveways or 'double park'.
