A message from the Executive Headteacher

Another week has flown by and we are almost into October already!

Firstly, I would like to thank those parents who were able to attend the Parent Forum on Monday this week. As I've mentioned before, it's really important to have parental views. The comments of those who attended will now form part of my planning for the remainder of this term and academic year.

The next Parent Forum will take place on Wednesday 15th December at 9am in the main hall.

The next event in school following Harvest will be our mini marathon on Monday 4th October. Children will be trying to complete as many laps of a running course in the time allowed to try and complete the full 26.2 miles as a group.

I am hoping that this event will pave the way for us to start the Daily Mile in school each day.

Unfortunately, I will not be running the London Marathon this year after an ankle injury in May which has prevented me from training for almost 5 months. However, I will be running in 2022 in aid of The Bedford Hospital Charity Trust. I am hoping to start running again very soon and start training for next year.

Have a great weekend

Mr P

Harvest Service and Assembly

On Friday 1st October, we will be holding two different events for our Harvest celebrations.

Children in Years 3-6 will walk to All Saints Church for a 10am service. Parents are invited to attend the service if they wish and it would be lovely to see as many of you there that can make the date and time.

Children in Reception, Year 1 and 2 will have a Harvest assembly in school at 2.30pm in the main hall. Parents are once again invited to attend so that those of you who have children in different year groups can attend if you would like to.

We are encouraging families to donate a food item (non-perishable) that we can present at the service and assembly. Donations will be given to a local charity after the weekend. These donations should be brought in over the course of the week.

If you would like to attend the church service, please meet us there at 9.45am. If you would like to attend the assembly, please arrive at the main office entrance at 2.15pm.

We look forward to celebrating our first school event in many months with you then.

Autumn Weather

We are now starting to see the first glimpses of Autumn and whilst the weather has been fine most days recently, we would like to remind parents to send children to school prepared for wet weather as they will go outside at break and lunch where possible.
