Values

Our Value this half term has been Truth and Truthfulness. The areas we look at under truth include telling or being in the habit of telling facts or making statements that are true. Truth matters, both to us as individuals and to society as a whole. As individuals, being truthful means that we can grow and mature, learning from our mistakes. As always we are grateful for your support at home reinforcing the values we use.

Thank you for your support.

Mr David Dyson
