READING BOOKS

We sent home a lot of reading books over the school closure time. Please could these now be returned to school?

Travelling to school safely

We have also been asked to share the following messages on how pupils can travel to and from school safely:

If you live a short distance from your school or college, walk, cycle or scoot to and from school wherever it is possible and safe to do so:

- **Avoid sharing a car with anyone outside of your household or support bubble**
- If you are using public transport to get to school or college, plan ahead and allow more time for your journey
- When you are travelling by public or dedicated school transport, don't forget to:
 - wear a face covering (unless you are exempt, including if you are aged 11 and under). It is important you wear them for the entirety of your journey, including inside a bus or train station
 - social distance where possible
 - wash or sanitise your hands regularly
 - be considerate to fellow passengers and staff.

We are aware that a number of families are car sharing and would urge you to reconsider and follow the government guidance above

Thank you

ATTENDANCE

We will be sharing our attendance figures for the week with you on the newsletter. Our target attendance is 98% and so any classes 98% or better will be green, within 1% of this will be yellow, and red for classes with attendance below 97%.

We hope our Nursery mums loved their Mother's Day gifts on Sunday!

We planted primroses and painted our pot independently using our favourite colours
